Professional Summary:
Entry-level Data Analyst with training in SQL, Excel, R, and Tableau through the Google Data Analytics Certificate. Experienced in cleaning, analyzing, and visualizing data to identify trends and support decision-making. Eight years of operational experience in fast-paced environments has strengthened analytical thinking, attention to detail, and problem solving. Seeking an opportunity to apply data analysis and visualization skills to support business insights and strategic decisions.

Technical Skills:

• Data Analysis: Data Cleaning, Exploratory Data Analysis, Data Visualization
• Programming: SQL, R
• Tools: Excel, Google Sheets, Tableau
• Database: Joins, Aggregations, Querying
• Visualization: Tableau Dashboards, Interactive Reports
• Other: Microsoft Word, PowerPoint
• Languages: English (Fluent), Spanish (Fluent)

Certifications:
Google Data Analytics Certificate – Google / Coursera
Google Cybersecurity Specialization – Google / Coursera

Data Analytics Projects:
Bellabeat Case Study – Fitness Data Analysis
Dataset: Kaggle Smart Device Fitness Dataset
Tools: Google Sheets, Excel

• Cleaned and analyzed 30,000+ smart device fitness records to identify user behavior trends
• Built interactive Tableau dashboards visualizing activity levels, sleep patterns, and usage frequency
• Identified higher activity levels during weekdays vs weekends, informing potential marketing opportunities
• Presented data-driven recommendations to improve customer engagement and product adoption

Bellabeat Data Exploration (SQL Analysis)
Tools: SQL, BigQuery, Tableau

• Used GROUP BY, JOIN, and aggregate queries to analyze datasets
• Wrote SQL queries to identify trends in activity and usage patterns
• Queried large fitness datasets using joins, aggregations, and filtering
• Analyzed activity trends across multiple users
• Generated summary statistics for daily step counts and sleep duration

Education:

Southern New Hampshire University
Manchester, New Hampshire
Masters in Cybersecurity

Johnson & Wales University
North Miami, FL
Associate in Science for Culinary Arts
Bachelor of Science in Foodservice Management

Experience:

Bartaco

• Managed high-volume operations while maintaining accuracy in fast-paced environments
• Monitored inventory and product usage trends to optimize supply levels and reduce waste
• Collaborated with team members to streamline workflows and improve efficiency

Joey's Restaurants

• Maintained quality standards and operational efficiency in high-pressure service environments
• Communicated with cross-functional teams to coordinate service delivery

Lion and the Rambler

• Assisted leadership in implementing new recipes and menu processes
• Maintained inventory oversight and operational quality standards
